

TOWN OF EASTVILLE
and

Northampton County Small Business COVID19 Recovery Grants

1. Eligible businesses must be physically located in Northampton County and have a valid business license. They need to be able to show they were a valid and active business as of March 24, 2020.
2. County taxes need to have been current as of March 24, 2020.
3. Only businesses employing less than 25 people are eligible.
4. Businesses need to show they were affected by Executive Orders #53[directives 3, 4, and 6] and/or Executive Order #55[directive 4].
5. Each business is eligible for only one grant.
6. Grant amounts are up to \$5,000 per business for business expenses or loss of revenue. An additional grant of up to \$5,000 per business may be applied for to address improvements done to a business to address COVID-19 concerns.
7. Businesses need to disclose if they received funds from either the Economic Injury Disaster Loan or the Paycheck Protection Program.
8. Businesses located in the unincorporated areas of the County and the Towns of Cheriton, Eastville, Exmore, and Nassawadox are eligible to apply.

Some examples of businesses affected would include restaurants, theaters, hair salons, indoor amusement centers, campgrounds as well as others. Applications will be available online as well as paper forms. Applications will be reviewed by a committee formed by the County Administrator which will include a representative of all participating Towns. The County will allocate 20% [twenty percent] of its' CARES Funding for this program. Participating Towns will be required to allocate 20% of their funding also.
